

COMPANY PROFILE

**YOUR 360°
BUILDING SOLUTION™**

COMPANY PROFILE

ABOUT DCD

The DCD Group of Companies are specialist distributors of interior, lightweight building, thermal insulation and acoustic application material. We service the commercial, retail, residential and DIY market sectors. Our mission is to help customers achieve their goals through technical, logistical and product knowledge, thereby living up to our ethos of being the 360° building solution.

LOCATIONS

DCD has a national footprint and our exceptional warehouse is located in Cape Town (Okavango Park). Our premises has a showroom and a boardroom which can be used by Customers, Contractors or Developers to showcase the relevant systems and to give their clients a good idea of what their end product will look like.

OUR TEAM

DCD's dynamic team consists of key individuals, who each bring a specific skill set to the table to ensure customer support and satisfaction. Our management team consists of experts in the industry, which includes 15 years' experience in the technical and QS fields as well as 10 years' experience in industry specific sales and corporate relations.

OUR PRODUCTS

DCD has unique agreements with top manufacturers to distribute their products. This allows DCD to obtain the best prices directly from the manufacturers to sell the products to our customers at a discounted price. We were recently appointed as a key distributor of the new SUMMIT XPS range.

Products we distribute include:

- Plaster boards
- Ceiling tiles
- Grid
